- Firewall **Services**.
- Cybersecurity **Services**.
- Office 365/Email.

ICT corporate Training

We offer both ICT and Management training to organizations, organized groups for people and through our in-house organized workshops. Our training range from simple office productivity training to more specialized training and we ensure participants are confident in their new skills acquired.

Our training can take place at the client premises of our offices. We also have an e-learning system where our trainees get enrolled to fetch content in the course of the training thereafter.

We offer the following training:

- Office Productivity tools (Microsoft Office – based on ICDL)
- Advanced Excel Training
- Research methods and data analysis
- Grant Writing and Resource Mobilization
- E-Learning – Use and administration of LMSs.
- Social Media Productivity Training
- Entrepreneurship and Business Management
- Project Planning and Management
- E-Marketing e.t.c

Web development and hosting

Web Development and Hosting. A web hosting service is a type of Internet hosting service that allows individuals and organizations to make their website accessible via the World Wide Web.

A **web hosting** service (often shortened to **web host**) is a type of **Internet hosting** service that allows individuals and organizations to make their **website** accessible via the World Wide **Web**.

Social media advertising

There can be situations in Public Relations when one cannot rely on the media's interest to deliver important information, e.g. a hotline number or a product recall announcement. In such cases, placing an eye catching and creative ad can help significantly. DBM has extensive experience with communications via advertising.

We provide our clients with counsel regarding advertisements in crisis management, improving company reputation, brand building and business to business relations, as well as litigation support.

DBM provides services in these areas:

- Advertisement and Advertorial Copywriting
- Media Placement
- Graphic Solutions to Ads and Advertorials
